

SERIOUSLY, LET'S TALK!

Let's talk about Advance Care Plans & Representation Agreements!

Join us as we help to remove the mystery and confusion around end of life planning.

Let's get comfortable with the uncomfortable, and explore our shared mortality, so that we can be encouraged and inspired to take action on our end of life plans.

What are they? How do they work? and how can you make sure you have them in place.

Let us show you there is more to building a strong Advance Care Plan than just filling out paperwork.

Facilitators, Jo-Anne Haun, [End of Life Alternatives](#) and [Karen Hendrickson, Take the Journey, Coaching for Success](#), create a safe and open hearted space to gather, explore and learn. We will help you to gain a better understanding of Advance Care Plans and Representation agreements, so that you can take the necessary action to ensure you have meaningful end of life plans in place.

The greatest gift to yourself, is a life well lived. The greatest gift to your loved ones, is a death well planned for.
